Like any academic journal, Health Care Management Science relies on the volunteer efforts of hundreds of expert peer reviewers. This year, the journal has introduced Meritorious Service Awards to recognize reviewers who have made exemplary contributions to the journal. Their reviews have consistently been detailed and constructive, and, in the case of articles that were eventually published in the journal, the reviews significantly improved the quality of the published papers.

The Meritorious Service Award recipients for 2023 are:

- Sina Ansari, DePaul University
- Esmaeil Bahalkeh, University of New Hampshire
- Özden Engin Çakıcı, American University
- Mucahit Cevik, Toronto Metropolitan University
- Songül Çinaroğlu, Hacettepe University
- Daniel Gartner, Cardiff University
- David Rea, Lehigh University
- Nazaré Rego, University of Minho
- Vahid Sarhangian, University of Toronto
- Karmel S. Shehadeh, Lehigh University
- Seokjun Youn, University of Arizona

The award winners will all receive a certificate and a book voucher from Springer Nature.

Thank you to everyone who contributed a review to the journal in 2023, and congratulations to the Meritorious Service Award recipients.
